**Kevin Martin : Cartoon Character Watches: A Collector's Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cartoon Character Watches: A Collector's Guide:

They're all here - Mickey Mouse, Donald Duck, Snoopy, Bugs Bunny, Betty Boop, and a host of other cartoon characters that have graced watch dials since the 1930s - in a collector's dream volume. Profusely illustrated, it also contains history, background, and information on limited editions.
