Here's a sample from the first para in ...By Peter PiperFirst let me say that immediately refunded my money and didn't want the book back (good for). This book is a scam. No pictures; unrelated content about wall painting, etc. Grammatically, the book is terrible. Here's a sample from the first para in the Introduction: " Most of the people choose to paint their own homes. This is one of the painting projects which seems very accessible to us. One reason is that your mistakes can be accepted and can be fixed in your own time. People should be encouraged to paint their homes or fences. They will feel like they have the chance to personalize their living environment." Huh? And then it goes downhill from there. This book helps us in different way and also helps us in becoming the expert in no time. Good Job.0 of 0 people found the following review helpful. Don't waste your money.By CustomerI received this book a few days ago and glanced through it. TOTAL waste of money, it tells you absolutely nothing on painting furniture. I will asking for a refund.

Chalk Painting Furniture Made Easy The Ultimate User Guide - Learn How To Become An Expert In No Time! Just like so many other things that surround us in our lives, patio furniture also goes in and out of style. What's hot today will be pushed out in a few years time as some new look makes its way in. But also just like so many other things that go in and out of style there seems to be a system of rotation. So what's out of focus now will for sure come back around in 20 to 30 years or so, to once again be the hot new look to decorate showroom floors. Do you know painting furniture? It is one painted with painting on their surface, of course, the painting should be suitable for furniture. In daily life, some people are likely to buy such painted furniture because they can fully show the natural feeling and retro feeling, at the same time, wooden true colors can be completely reflected. If you are interested in painted furniture and want to buy them for home decoration. This book takes a straightforward, systematic approach to Chalk Painting Furniture. I have tried to present the subject in an easily digestible form to those setting out in this discipline, without burdening our readers with unnecessary jargon. Each step in the process of Painting and decorating your Furniture is presented in sequence, in its own chapter.
