Kwei-lin Lum : Chinatown Paper Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinatown Paper Dolls:

From dazzling formal attire to everyday leisure and work clothes, these costumes and accessories reflect changes in Chinese-American style over the past 100 years. Outfits for male and female dolls of all ages range from traditional garb — including quilted and silk jackets and cheongsams — to dragon t-shirts and other modern attire. The book's inside covers form the background for a play scene.

About the Author A social insurance specialist and a student of plant biogeography, California artist Kwei-lin Lum is

the creator of Dover's Day of the Dead paper doll and sticker books.
