Every Radco collector should have this book !By Sandra WhiteThis is most helpful in finding older ornaments (2000 and earlier) with round tops and no charms. I discovered several that I did not even know were Radcos. The color is true to the original and finding out the year, id# and original price is helpful. It certainly beats spending hours on the internet searching for a match. My only regret is that Vol. 2 of this book appears to be nearly extinct. I can not find it anywhere in the world, used or new,0 of 0 people found the following review helpful. Good Radko ornament late 90's to 2000 period reference guideBy Juliana BarosDoes a good coverage plus photos of a broad range of ornaments for the late 90's to 2000 period. Good use as pricing guide as late as 2000.0 of 0 people found the following review helpful. Five StarsBy FrostykittyVERY GOOD

Christopher Radko, named the Czar of Christmas Present by the New York Times has been designing and producing exquisite ornaments for over 20 years. Now you can determine the value of your collection when you own this beautiful guide. With over 5,000 full-color items, it is also the perfect accompaniment to a gift of a Radko ornament!
