4 of 4 people found the following review helpful. For the love of smaller quilts. By Amy Lee I have been making reproduction quilts for more than a decade. In recent years I have started to make small and miniature quilts from the growing variety and beautiful civil war fabrics. Can't wait to make some of the patterns in this wonderful book. 3 of 3 people found the following review helpful. I have the other two books in this series as well and I love them all. By Jennifer Hein WOW! I have the other two books in this series as well and I love them all! This is one of those books that makes you want to dig through your scraps and make every quilt in here! Each quilt has a little story that goes along with it, some historical and some from family history. The fabrics she uses are phenomenal. This book

absolutely has earned a place among my very favorite quilt books! 4 of 4 people found the following review helpful. I love them all but this is really special and I have already kitted up fabric for three of them. They are great quilts to do on retreats. The instructions are good and the quilts are adorable in any color range.

About the Author Carol Hopkins's interests revolve around sharing her love of teaching and learning. In her daytime job as a professor of literacy and language education at Purdue University, she prepares future elementary teachers to teach struggling readers. During evenings and weekends, when she's not spending time with her husband, three adult children, and grandchildren, she pursues her passion for quilting. Through her pattern business, Carol Hopkins Designs, she markets quilt patterns that she has designed for eighteenth- and nineteenth-century reproduction fabrics.
