Lots of hours and care went into this Book. Knowledge is everything. :O)

The love affair with the Colt Peacemaker started more than 100 years ago. Today, millions of people recognise this revolver as "the gun that won the West". Collectors are paying all-time high prices and with the rise of Cowboy Action Shooting, more people than ever are falling in love again with the Peacemaker. This is a look at the best of the best,

the most storied, adorned and collectible examples of this popular revolver. Buyers will reach for this book to see rare and one-of-a-kind guns and read the stories behind them. Nothing fuels the romance of the Old West like the image of a Peacemaker and this book highlights some of the finest examples ever found.
