2 of 2 people found the following review helpful. A thoroughly enjoyable and nostalgic book By Midwest Book Review Compiled by American tractor enthusiast Cletus Hohman, Classic Deere Tractors is a showcase album of a wide variety of farm tractors from 1914 to 1970. Full-color photographs present each of these classic "big green" tractor models, while brief captions containing just the facts about each model enhance what is primarily a pictorial tribute. Classic Deere Tractors is a thoroughly enjoyable and nostalgic book which is specifically and enthusiastically recommended for dedicated tractor enthusiasts in general, and John Deere fans in particular.

The ideal introduction to collectible John Deere farm tractors, "Classic Deere Tractors" combines detailed captions with quality color photography, rare archival images, and classic brochures. You'll find coverage of the vintage machines from 1914-1970. Whether you're someone who has farmed, or someone simply with a love of the land, this book will provide you with an entertaining introduction to the world of popular Deere tractors.
