I have been looking for an affordable copy for years. 1 of 1 people found the following review helpful. a helpful guide in dating vintage fabrics in old quilts ... By Judith Juditha helpful guide in dating vintage fabrics in old quilts and odd fabric pieces. 1 of 1 people found the following review helpful. A Must Read By Jacqueline J. Sherman This should be the bible of recognizing when a fabric was made. Tons of information on color, patterns, fabrics and how to track their history.

The system unveiled here for dating heirloom quilts is based upon five characteristics--fabric, style, color, technique, and pattern. In recounting the method's evolution, which involved the examination of 900 date-inscribed specimens, Brackman imparts a colorful history of quilt making.
