Coca-Cola products have been delivered to stores and soda fountains throughout the world in a variety of trucks, automobiles, and horse-drawn carts for decades now. Here is a dynamic collection of vintage black white photographs of a variety of these vehicles specially selected from the archives of the Coca-Cola Company, including bottle trucks, promotional vehicles and route sales cars.

"for those who appreciate nostalgia the book is a visual delight" -- Old Cars Feb. 20, 1997
