Paris Manos, Susan Manos : Collectible Action Figures: Identification and Value Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collectible Action Figures: Identification and Value Guide:

2 of 2 people found the following review helpful. Only read once...By El Tonio This book provides some basic information about several action figure lines. On the plus side, this book does provide some information and pictures on a few lines that may be hard to find elsewhere (i.e., Big Jim and The Six Million Dollar Man). On the minus side, there is no mention of Star Wars figures, and very little about Mego figures. Further, most of the information that is presented is easily found elsewhere. In short, there are much better books out there about both action figures in general (one of my favorites being "Tomart's Encyclopedia of Action Figures: The 1001 Most Popular Collectibles of All Time"), and about specific action figure lines (i.e., just Star Wars, just GI Joe, just Mego, just Captain Action, etc.). To be fair, I did enjoy going through this book once, I just haven't found a need to open it again since. 3 of 5 people found

the following review helpful. A Beautiful Action Figures Book and Reference By Irvin Goodman This 2nd edition, 160 page softbound book contains over 400 very large, full color, sharp photos of every type of action figure imaginable. It covers GI Joe, action figures from other countries, Capt. Action, Ken Doll and Friends, Marx, including Johnny West, Vikings and Knights, Buddy Charlie, and Stoney, Kenner, including Boy Scouts and Six Million Dollar Man, Big Jim, Man from U.N.C.L.E., and much more. The guide also includes boxes and accessories. A useful, fun reference for this collectible. Values shown are 1998.
