Mark Chase, Michael Kelly : Collectible Drinking Glasses: Identification and Values before purchasing it in order to gage whether or not it would be worth my time, and all praised Collectible Drinking Glasses: Identification and Values:

2 of 2 people found the following review helpful. great pictures! broad rangeBy J. SpeedI am giving this to my mom who is an antique dealer. I/we come across small/tall glasses all the time in our travels. I thought this would be a perfect companion for her! sometimes we see the same ole thing..but sometimes you don't, and it would be nice to have a reference. so this is perfect! this particular book was in great condition too!0 of 0 people found the following review helpful. The items in here are very limited... ..By JohnThe items in here are very limited...not truly collectibles, as the value is almost always \$12 or less. Not worth the time or money.1 of 1 people found the following review helpful. GreatBy Don J. LivengoodI love buying expensive books for almost nothing. This is the way to go. Book is perfect for my needs

Drinking glasses have established themselves as part of our popular culture and have commercial, cultural, and historical significance. They can be traced back to the jam, cheese, and soft drink glasses of the '30s and '40s. This factual book on the subject provides trustworthy, comprehensive value information for food product, sports, and cartoon glasses.
