Kathryn McNerney : Collecting Blue and White Stoneware: An Identification and Value Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Collecting Blue and White Stoneware: An Identification and Value Guide:

0 of 0 people found the following review helpful. Cost-Effective Reference if the Focus is RightBy Linda DancyUseful reference at a good price for those interested in antique stoneware. I will keep looking for another to buy because I am interested in antique stoneware that can be identified by its markings. The main focus of this volume is blue and white decoration.0 of 0 people found the following review helpful. Great for help if you collect these piecesBy Jay RGreat for help if you collect these pieces. My original book bought many years ago was falling apart, needed a new one2 of 2 people found the following review helpful. Collecting Blue White StonewareBy mejThis book was exactly what I was looking for. It has lots of pictures of stoneware items and information about each different item type. I would highly recommend this book to anyone who is interested in collecting Blue stoneware.

This guide is essential for stoneware collectors. The pitchers, crocks, canisters, and other pieces have continued to increase in popularity. This handy full-color guide has hundreds of photos and descriptions. AUTHORBIO: Kathryn McNerney was well-known for her expertise in many fields of antiques and collectibles, including kitchen antiques, antique tools, primitives, blue white stoneware, American oak and Victorian furniture, and antique iron. Her books saw many revised editions, and her books became standard references in the field. She left behind many followers who continue to consult her books and who have made them part of their permanent libraries. REVIEW: Blue White Stoneware features pitchers, crocks, canisters, coffee pots, mugs and many other pieces. It focuses on salt-glazed domestic vessels made in the U.S. from the late 1880s to early 1900s. There are hundreds of color photos and descriptions with values.
