A+++++0 of 0 people found the following review helpful. fine.By Simonaa present , For the affordable price, has a fine sharpness and durability to it! very good. very fast, receive it next day, would purchase again.10 of 11 people found the following review helpful. a must for any collectorBy A CustomerA

wonderful book for any collector of buckles. Great clear pictures with short and to the point descriptions. What else does he collect? Anyone who has this many buckles must have a wealth of other collectibles. A great reference for the beginner or the experience collector. Not just another coffee table book.

455 beautiful color photographs and engaging text showcase men's belt buckles from the nineteenth and twentieth centuries. Military, police, fire service, western, and youth group buckles are well represented, along with intriguing multi-function buckles containing cigarette lighters, knives, and guns. Masculine lifestyles are reflected through these personalized buckles, ranging from buckles used by scouting organizations worldwide and bronc riding champions to those employed by the Highway Patrol and Secret Service. Collecting tips and values are included. This is an excellent reference for the dealer and collector, and an inspirational guide for clothing and jewelry designers and fashion historians.

About the Author Joseph Saitta has been collecting belt buckles, police and fire badges, armbands, cigarette lighters, and military medals for over four decades.
