**Ulric of England : Collecting World War II German Military Identification Discs: Collecting German Militaria** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collecting World War II German Military Identification Discs: Collecting German Militaria:

The military I.D. disc is one of the most personal artefacts associated with the German military in general, and

collecting German militaria in particular. Incisive and authoritative, this book explores the I.D. disc, from its practical use to collecting desirability.
