Bob Huxford, Sharon Huxford : Collector's Encyclopedia of Fiesta, 10th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Collector's Encyclopedia of Fiesta, 10th Edition:

2 of 2 people found the following review helpful. Best Reference on Fiesta Collecting that I have found!By K. MelvilleIf you are just starting your Fiesta Collection, this is a must! I have several other books on Fiesta and this has so much more information! This is now my go to reference book. It gives you the history as well as descriptions of pieces and rarity. If I had know about this book; it would have been the first one that I acquired!0 of 0 people found the following review helpful. very informative and great colorful picturesBy louinthesunvery informative and great colorful pictures.0 of 0 people found the following review helpful. Lots of information!By L. MckinneyWell named. It is encyclopedic in scope. Everything you could possibly wonder about Fiesta ware.

This book showcases over 1,000 colorful pieces of Fiesta and features the colors and shapes of the 'post-86' line as well. There are more than 50 new photos, including some rare, never-before-seen pieces. The popular Harlequin, Riviera, and Kitchen Kraft lines are also featured. Kenilworth, a line which has not been included in previous editions, and striped Fiesta are both well documented this time, and the Art China section has been expanded and will include many wonderful new photos of this early line. The authors have also included experimental items from the Homer Laughlin morgue, as well as the historical information so many collectors crave. Finally, current values are addressed and changes have been made to better reflect today's market on both the vintage and post-86 lines.

The book includes many new photos and new information that has become available since the previous edition. The group photos that show an individual piece in every color in which it was made are especially appealing. Also included are many of the other products made by HLC, including the Mexican decal lines, contemporary Post86 Fiesta and Laughlin Art China. -Old Stuff, October/November, 2005

About the Author
After writing their first book, *The Story of Fiesta*, published in 1974, the Huxfords became pottery editors for Collector Books and in that capacity wrote several other books on various Ohio potteries: *Roseville Pottery*, *McCoy Pottery*, *Brush-McCoy Pottery*, *Weller Pottery*, and *Roseville Pottery, Volume II*. Since 1982 they have been editors of *Schroeder's Antiques Price Guide*; *Schroeder's Collectible Toys*; *Antique to Modern*; *Garage Sale Flea Market Annual*; and *Wanted to Buy*.
