**Darlene Hurst Dommel : Collector's Encyclopedia of the Dakota Potteries: Identification Values** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collector's Encyclopedia of the Dakota Potteries: Identification Values:

0 of 0 people found the following review helpful. Five Stars By Marcia Bradley Great book covers all of the Dakota potteries. 0 of 0 people found the following review helpful. Nice book By Customer I inherited a beautiful set of Pine Ridge Pottery from my mother. I bought the book so that I could learn about the making of the pottery and the artists who made it. Very informative and interesting book. 0 of 1 people found the following review helpful. Exactly as described, excellent quality, speedy delivery! By Sharon E. Bessey The book was in excellent shape, was delivered in record time and in excellent shape! Great packaging, reasonably priced!

The first comprehensive book on the Dakota potteries offers over 300 full-color photos, detailed history of each pottery, up-to-date values, marks, types, glazes, and much more. It includes ceramics by Messer, Pine Ridge, Rosemeade, Rushmore, and more.
