Five Stars By Mary Kay Moyer Interesting book, and helpful in identifying the china when we find it in stores and markets. 0 of 0 people found the following review helpful. Great reference source By Ronald Swidor Great reference book for collectors of Homer Laughlin China 0 of 0 people found the following review helpful. Excellent source of information for Homer Laughlin China By Cheryl Hanson If you are interested in Homer Laughlin China, you need this book!

Over 175 full-color photos of this beautiful china with histories, sizes, dates, and values. The primary emphasis is on the most popular dinnerware from 1900-1950. This is the first book devoted to the dinnerware of Homer Laughlin.

2000 values. **AUTHORBIO:** Joanne Jasper, an antique lover and Homer Laughlin fan for years, visited the Homer Laughlin plant in Newell, West Virginia with her daughter and decided to make her idea for a collector's reference a reality. She spent countless hours researching, interviewing, and taking photographs. Her book has become a bestseller. **REVIEW:** This book was inspired by a visit to the Homer Laughlin Factory in Newell, West Virginia, by the author. For the casual collector of Homer Laughlin China, this book will show the evolution of the Homer Laughlin designs throughout the years. For the serious collector and dealer, this book is a great reference manual which can assist in the identification of different shapes and decorative patterns. It especially assists in differentiating between shapes which closely resemble one another.
