And he normally is not a reader 0 of 0 people found the following review helpful. Four Stars By Frank R. Anderson The book was ideal in many ways. 3 of 3 people found the following review helpful. Excellent Resource By Kevin Good golly this is great book. It has superb history and excellent photographs. I recommend for any Corgi die cast enthusiast/collector. I ended up collecting quite a few more Corgis due to this great resource book.

Little Corgi cars, trucks, and planes are big collectibles worldwide. Production of these wonderful toys began in England in 1934, and continues today. This unique book shows every model issued to date in full color. The history and 128 color photographs are supplemented by detailed descriptions of all the models and their known variations. Even the non-collector will become an enthusiast after reading this lighthearted yet informative source book. They will especially like the newly updated price guide.
