**Auto Editors of Consumer Guide : Corvette - American Icons** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Corvette - American Icons:

By Customer Sent as gift. Recipient loves it. Says he's never seen a book on Corvettes as complete as this one. 6 of 6 people found the following review helpful. Corvette-American Icons, something new but still something old. Needs to be more in-depth, quick overview on Corvette. -Book By Jose Lopez Corvette-American Icons is updated to include the Corvette C7 And Corvette C7 Z06/C7R, it is mainly a quick look at Corvette with some great photos throughout of Corvettes and Corvette Racing. However, the book is a bit re-hashed or "Revised" as most PIL (Publications International Limited) titles are. I know because I have every Corvette book they put out even if a small update or revision or simple as a different cover. I did request a copy to review but sadly the person in marketing did not care for my review or blog or my interest in the book despite in the past having reviewed a book for them, no problem I have the book anyways. I wanted it because well I saw the Cover with the C7 Z06 ON IT AND figured well at least there's a book with the C7 Z06 and there's a Corvette book out was my way of thinking. If you are an enthusiast of Corvette like me you want the book in the collection even if it's the same old same old with some newer generations thrown in and The Corvette Daytona Prototype (Pictures). Nonetheless great little hardcover.

» The full history of America's best-loved sports car, from the 1953 original to today's sleek road rockets.» Hundreds of color photos and concise captions. Rare factory shots and ads, secret prototypes, and the full spectrum of showroom fresh production Corvettes.» Every model year is covered. Features all the special models, too, including Corvette

Super Sport and Grand Sport, ZR-1, and Z06.

About the Author Established in 1967, Consumer Guide is one of the longest-running auto-review operations in the country. First online in 1995, we were also one of the first car-test organizations to hit the web. Consumer Guide is headquartered in the Chicago suburb of Lincolnwood, IL, a location ideal for sampling the best and worst that nature has to offer.
