**Ritu Kumar : Costumes and Textiles of Royal India** before purchasing it in order to gage whether or not it would be worth my time, and all praised Costumes and Textiles of Royal India:

1 of 1 people found the following review helpful. My favorite bookBy J. LoganBest book I ever bought. So happy I decided to go with getting this. I was making a collection based on Indian clothing and I am so happy with this. Great investment with lots of wonderful information.0 of 0 people found the following review helpful. Five StarsBy Lily WhiteBeautiful - thank you!5 of 5 people found the following review helpful. Love this book!By G rated GrandmaI bought this book at the textile museum in Washington, D.C. many years ago and it fascinated me. The book was lovingly researched and the pictures are a treasure, along with the very interesting copy. I have actually had people ask me if I would be interested in parting with it. If you want to learn something deeper about Indian culture, buy this book

and enjoy.

After years of searching through dusty museum collections and royal stores across India, acclaimed designer Ritu Kumar has uncovered many of the last surviving examples of traditional royal clothing. Her book is a celebration of this rich legacy of textiles and craftsmanship. This in-depth study of the evolution of Indian royal costume spans the centuries from the first representations of clothing in ancient India, through the reign of the Mughal emperors and the days of the British Raj, to Indian independence and royalty in the present day. The author covers both men's and women's garments, Hindu and Muslim styles, and documents the evolution of European-Indian fashions. This sumptuous volume is illustrated with a variety of material, much of which has never been published before ranging from archive photographs, miniatures, royal portraits and cinema stills, to detailed images of garments and textiles from as far back as the seventeenth century. A separate section explains in detail the technique

About the Author Ritu Kumar is one of India's foremost designers, who has developed a unique style combining the ancient traditions of Indian craftsmanship with contemporary innovations. She began her work many years ago in a small village near Calcutta with just four hand-block printers and a couple of tables. Rita Kumar has gone a long way towards redefining the word 'fashion' in the Indian context. She was awarded the Lifetime Achievement Award for fashion and her commitment to the revival and continuation of traditional craftsmanship.
