Bethany R.M Folmar Miss : Darkness Through The Past before purchasing it in order to gage whether or not it would be worth my time, and all praised Darkness Through The Past:

Rebellious teen Rhiannon dreams of bringing her band to fame, but when a guardian angel convinces her to save an abused boy named Victor, her dreams become living nightmares of Victor's savage memories. Desperately grasping at her only solid reality--her music--Rhiannon finds her entire existence imprisoned by supernatural events that center on the mysterious boy who haunts her with thoughts of harming himself. Through all the different stories that the memories have caused Rhiannon to believe, she must grapple with the fact that her experiences are not because of

Victor, but because she herself is unable to let go of her own memories.
