ring, it helps to set priorities and to use your money the best way. This is an important investment it is good to have a good reference as this book. I'll just say that my wife loved her ring and I followed many of the points set there, I can't say is better or worse than other diamond books, I can say that it helped me. 0 of 0 people found the following review helpful. Five Stars By Customer Excellent resource but then I never expected less from Renee Newman.

Buying a diamond ring may be one of the most important jewelry-related decisions you will ever make. The Diamond Ring Buying Guide was designed to help you get the best buy possible. Written in clear, everyday English, with lots of color photos, the book shows you step-by-step how to evaluate diamonds and settings. It's helped thousands of diamond buyers make smart choices--and it can help you too. The Diamond Ring Buying Guide offers tips on: Quality evaluation Ring Styles Detecting fakes Savvy Buying Diamond treatments Gold, platinum, palladium Fancy colored diamonds Custom-made jewelry There's one thing the Diamond Ring Buying Guide doesn't offer, however, and that's free diamond samples. But with the information and skills you'll learn from this book, you're sure to get good value for your money--and that's worth its weight in gold!
