It is a easy read but he began to find it boring. 0 of 1 people found the following review helpful. Five Stars By MuanbonFun for my kids to do! 3 of 6 people found the following review helpful. atlast, info on x-men behind the scenes By punk head It always eluded me as to how the X-men were on and off a sizzling bestselling comic book for the past twenty years. So what fuels this book is actually curiosity. 'Cause it was always a wonder to me what was it that made x-men so diferent than other comics. Well, i still don't see what makes this a phenomenal chart-scorcher, but it will be a bit useful for aspiring artists and writers trying to break into the comic field.

This Level 4 book for proficient readers takes you behind-the-scenes to see how authors, illustrators and layout artists create one of the most popular comic books ever. From concept stage to arrival in stores, find out what it takes to create an X-Men comic book.
