Robert D. Christensen : Duck Calls of Illinois, 1863-1963 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Duck Calls of Illinois, 1863-1963:

0 of 0 people found the following review helpful. Great Gift for One Who Has (almost) Everything By Carol L.I purchased this book as a retirement gift for my boss. He is an avid sportsman and grew up in Ottawa. He was very familiar with a lot of the areas mentioned in the book, which made it more personal for him. He loved the way it was written; a couple of pages per duck caller. This way he could read about one or two callers and put it down without having to remember what he read the next time he picks it up. This was the perfect gift for the man who has (almost) everything. 0 of 0 people found the following review helpful. Great Book for the collector By James Butler This is a great book for the collector of calls for this area. I just started collecting calls and this is the first book I've gotten as a reference source and living in this area I come across a lot of Illinois calls. 0 of 0 people found the following review

helpful. good bookBy Carlos KerleyGood book on all the IL callmakers. And if nothing else, I'm an old Browning humpback fan and the photos are worth much of the book.

Book by Christensen, Robert D.

"A true gem.... An outdoors connoisseur's classic—the perfect companion to a fine French cognac and a great Cuban cigar.... Christensen sends us on a rich and well-told history of waterfowling in this pivotal state."—Chicago Tribune
"Super.... This book is a must."—Decoy Hunter
"The definitive practical guide.... An excellent reference."—Decoy Magazine
