**L. A. Chappell : Duck Stamps Identification and Value Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Duck Stamps Identification and Value Guide:

This guide gives values for each condition, facts about each stamp issued, and essential information regarding care and

storage. A detailed history of the development of the stamp is provided along with color photographs of every duck stamp made to date. **AUTHORBIO:** L.A. Chappell compiled this book from publisher Bill Schroeder's personal collection of Duck Stamps. **REVIEW:** This book is invaluable to hunters who collect Duck Stamps each year. All the stamps to date are included, and information is given for every item. Full color, detailed shots are shown on their own page, with current collector values. A handy reference for collectors.
