Anna Giorgetti : Ducks: Art, Legend, History (The Bulfinch Library of Collectibles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ducks: Art, Legend, History (The Bulfinch Library of Collectibles):

One of a series in which each book is dedicated to collectables featuring an individual animal, this book focuses on ducks. The text is a mixture of fact, anecdote and legend, detailing the duck's role in history, art, literature, folklore and magic, and the illustrations show ways in which the duck has been depicted as artwork, icon, toy and trademark.
