Tom Tierney : Everyday Fashions of the 20th Century CD-ROM and Book (Dover Pictorial Archives) before purchasing it in order to gage whether or not it would be worth my time, and all praised Everyday Fashions of the 20th Century CD-ROM and Book (Dover Pictorial Archives):

0 of 1 people found the following review helpful. paula's reviewBy Paula InmanIn the past I have bought Tom Tierney designs and loved them. This latest one was a diappointment because the figures(people) were larger and faces were not as attractive. The Tom Tierney designs from the 1900's to 1950's were perfect as well as the one from the 1950's to 2000 but just the 20th century designs which I recently purchased it was entirely different from the other two.

This scrupulously researched, meticulously rendered collection spotlights multiple generations of a family for each decade of the twentieth century. Apparel includes everything from ankle-length tennis outfits and men's formal wear of the 1910s to military outfits from both World Wars, high-fashion suits and dresses in the post WWI years, and wedding finery spanning several decades. These immediately useable illustrations have a host of applications for fashion and costume designers, fashion historians, and anyone looking for fashion images to use in art and craft projects. Informative notes on the costumes complete an outstanding collection documenting nearly 100 years of costume history.

About the Author One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
