Good but "Faberge Eggs" by Pfeffer is BetterBy Ron SantosI bought this book and it is good. Also, I got the book, "Faberge Eggs: Masterpieces from Czarist Russia" by Susanna Pfeffer. Overall, considering photos, text, and completeness, I like the one by Pfeffer better.9 of 9 people found the following review helpful. Gorgeous!By A CustomerThis book is amazing! The oversized photos are mesmerizing. I am a collector of the small egg charms used in the Czarina's Maria Feodorovna's necklace. I was thrilled to see photos of many of the egg charms I own. I love this book!
