**Geza Von' Habsburg : Faberge: Treasures of Imperial Russia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Faberge: Treasures of Imperial Russia:

4 of 4 people found the following review helpful. The Ultimate Faberge By Timothy A. Kline I own an extensive Faberge book collection and this by far is the most exquisite. The pictures inside are so close=up it is as if your are holding the eggs in your hand. The book is written in both Russian and English and is laid out with the translation of pages facing each other. The pages are of the highest quality art paper and the books overall quality is phenomenal. If you are also looking for other great Faberge books then I would recommend The Forbes Collection Faberge book with a pink cover with silver gilt. Not as expensive but the same great quality paper and quality. 0 of 0 people found the following review helpful. Four Stars By Customer Excellent condition, beautiful publication - very pleased with historic information and photographs.

Collectible out-of-print edition! This magnificent book is dedicated to Carl Faberge's life and creative work, and to the unique Easter eggs that immortalized his name. Peter Carl Faberge was a Russian jeweler, best known for the famous Faberge eggs, made in the style of genuine Easter eggs, but using precious metals and gemstones rather than more mundane materials. He was born in Saint Petersburg, Russia, to the Baltic German jeweler Gustav Faberge and his

Danish wife Charlotte Jungstedt. Gustav Faberge
