By Richard Rust This is a highly interesting and faith-promoting book about George Q. Cannon's mission to Hawaii. Cannon's Hawaiian journals have been carefully edited and are highly and accurately annotated. Cannon was one of the most prolific writers and speakers in The Church of Jesus Christ of Latter-day as well as in government and business venues, and his writing is superbly interesting and engaging.

By jkcook This was written to prospective missionaries and full of encouraging stories. I enjoyed reading his experiences. This is worth reading.

George Q. Cannon started the series in 1879. George C. Lambert finished the series in 1915. The title of the series couldn't be more appropriate as there are hundreds of stories that will strengthen your faith. The original 17 small books have been put into 3 volumes. Volume 1 contains books 1-6.
