before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fashions of the Early Twenties: The 1921 Philipsborn's Catalog (Dover Books on Fashion):

Excellent reproduction of rare catalog includes detailed descriptions, illustrations and prices for an enormous array of moderately priced dresses for women and girls, a selection of men's and boys' clothing, shoes, hats, gloves, and much more. A superb record of everyday fashions of the early 1920s and a fascinating look at mail-order advertising of that

era.
