Peter Philp, Gillian Walkling : Field Guide to Antique Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised Field Guide to Antique Furniture:

0 of 0 people found the following review helpful. Five StarsBy PattyGreat book.0 of 0 people found the following review helpful. Good readBy Suprnm001Great and interesting read. This is mostly a lot of European styles and pieces,

but it was neat to read about them and look at the pictures. I would love a book just like this on vintage pieces. 1 of 1 people found the following review helpful. A Handy helper! By Munchk We are getting a lot of use out of this book. We are new to antiquing and estate sales and this book is helping us to identify doe of the pieces we are getting. It cam in the prescribed time at a good price.

This beautifully illustrated guide to American, British, and continental European furniture allows easy identification and authentication of every type of free-standing furniture from the late Middle Ages to 1940.
