The dinnerware that "turns your table into a celebration" is giving its collectors more than a few reasons to enjoy the party. "Fiesta" is a vibrant and authoritative guide collectors can turn to for quick pricing and identification assistance wherever they are. This guide to the bright and abundantly fun: shows collectors more than 500 detailed colour photos including many rare pieces, which aid in making accurate identification; covers history of the company that brought the party to dining room tables, and inspires collectors to follow the evolution of Fiesta Ware; and, arms collectors with current values and rarity ratings, to make savvy collecting decisions. For everyone who knows how fun dining can be, this book is a must have.
