Hilma R. Irtz : Figural Nodders: Identification Value Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Figural Nodders: Identification Value Guide:

0 of 0 people found the following review helpful. EnlighteningBy Pat U.While this book did not give me the exact information on my nodder, it did give me the history and general understanding of nodders. Enjoyed it and I am keeping it on my library shelf.

224 pages of Nodders of all makes and descriptions, Buddahs, Pagods, and Magots, European Porcelain and Biscuit, 18th Century Court Life, Victorian Peoples, The Far East, Children, The Animal Kingdom, Dolls and Toys, Those Nodding Shakers, Holidays, Nodding Folk Art, Bobbin' Heads, Springers, etc. The book is full of lovely pictures and descriptions and histories of the figures. The book is in good shape with no writing or underlining; softcover is in good shape with little wear and rubbing.
