Jean Dillen : Fliegerhorst: Antwerpen-Deurne 1940 (Dutch Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fliegerhorst: Antwerpen-Deurne 1940 (Dutch Edition):

This large format book tells the story of the Flemish airfield at Deurne, just outside Antwerp, where the famous German fighter unit Kampfgeschwader 3 was stationed and in particular, their involvement in the great struggle for air supremacy over the south of England that was the Battle of Britain. Illustrated throughout, this book gives a fascinating insight into the workings of one of the most important German fighter stations in the early part of World

War II.
