Cynthia Mattison : Free Autographs By Mail: 4,000+ Verified Celebrity Addresses before purchasing it in order to gage whether or not it would be worth my time, and all praised Free Autographs By Mail: 4,000+ Verified Celebrity Addresses:

1 of 1 people found the following review helpful. very outdatedBy Lauren A. MontanoThis book was written almost 7 years ago, so current stars aren't included in this list, and the ones that are, are from the 80's and early 90's. I wrote a few letters, but don't expect any responses since there is a good chance that their addresses have changed. The people

who are included in this book are old stars, and of no interest to younger readers (30 something and below). I'm sorry I wasted my money on this book because every star that I wanted to write to did not have their address in this book. If you are serious about writing and getting free autographs, invest in a current book that includes more than 4,000 addresses. 3 of 5 people found the following review helpful. Compilation of information found on the Internet By John Golovich Overall it had good information. The fact that it can all be found for free on the Internet is another item all together. If you don't want to spend the time online, or don't have Internet access at all, this book will be of benefit to you. Keep in mind addresses change frequently and they are all not guaranteed to provide a result. 0 of 0 people found the following review helpful. full but empty By L. Gupton Yes, this book is full of addresses to so many different types of people. Unknown to us if the mail ever arrived to the addresses we used all we can say is we never received any replies to any letters we sent out. Quite disappointing.

This book contains over 4,000 verified addresses for today's brightest stars! Free Autographs by Mail is a tested resource that is certain to be a welcome addition to any collection. Have you ever wanted an autograph from Dan Aykroyd, Sally Field, Bill Cosby, Bob Hope, Al Pacino, Lorrie Morgan, John Glenn, Bob Elizabeth Dole, Sugar Ray Leonard, Arnold Palmer, Dale Earnhardt, Monica Seles or Wayne Gretzky?
