Great book for any gas pump collectorBy ROBERT HANSONOnce again Scott Benjamin has gone all out to give collectors all the information he has acquired to accurately restore gas pumps from times past. Thank you for the effort0 of 0 people found the following review helpful. Five StarsBy godzillagood book on the subject0 of 0 people found the following review helpful. OK book but gathers dust mostlyBy MrmowerguyI don't really like this book. The Guide to Gas Pump Restoration is much better. I wore out my edition 1 and had to buy edition 2.

Antique gas pumps are enjoying increasing popularity among gas and oil memorabilia collectors. Here Benjamin and

Henderson offer today's collectors tips on how to collect pumps and where to find them, plus authenticity information and details on restoring and displaying them. Directory listings include a brief history of each known manufacturer, plus a listing of models produced, dates, rarity ratings and price ranges.
