The Start.By christopher roweIn order for a collector to understand the original dream of Mel Odom, all Gene Marshall lovers and collectors need to read this book first, after which you should know why you are collecting her.This book can also be read as a stand alone story book to any child willing to listen, without the need to collect.0 of 0 people found the following review helpful. Five StarsBy IBPGreat0 of 0 people found the following review helpful. I like itBy MaggieA special book. Very nice.

Having sprung full bloom from the brilliant mind of renowned artist (and avid doll collector) Mel Odom, the Gene Marshall fashion doll is fast becoming one of the worlds most desired collectibles. With one million sold since her inception in 1995, shes giving Barbie a real run for her money. Peppared with first-person reminiscences of real and imagined celebrities, and filled with line drawings, memorabilia, and stunning photographs of Gene in her drop-dead

outfits including two costumes that are displayed here for the first time this classic star is born story will enthrall Gene's growing cadre of fans hungry for the details of her spectacular ascent.
